

The Good Student's Code of Conduct...

I will arrive for training and other events on time.

I will make sure that I have my correct uniform, belt and equipment with me.

I will make sure that my hair is off my face, tied up if needed, my finger and toenails are kept short and that all jewellery has been removed.

I will bow before entering or leaving the training hall (dojang).

I will have fun, act in a safe manner and encourage other students to do the same.

I will always respect those around me including other students, opponents, instructors, officials and parents.

I will accept instructors', examiners' and officials' decisions without question or complaint.

I will listen carefully when spoken to and act as directed where appropriate.

I will never bully others, nor will I keep quiet if someone else is being bullied.

I will congratulate all students on their performance regardless of the tournament or grading outcome.

I will give other students a hand if they need it.

I will always do my best and give 100% effort in whatever I do.

I recognise that I am an ambassador for my discipline and others taking part in martial arts.

I will never use my martial arts outside the training environment except for the defence of myself or my family in the event of extreme danger or unprovoked attack.
